Revision: 06/08/2016

contaminated area with fresh air. Get medical attention for breathing difficulty.  - Eyes  May be irritating to eyes. Flush eyes with low pressure water. If discomfort continues, consult a doctor.  - Skin  May be irritating to skin. Prolonged skin contact may cause allergic dermatitis. Wash skin with mild soap and water.  - Ingestion  Accidental ingestion — rinse mouth with water. Obtain medical advice.  5 Fire-Fighting Measures  (a) Suitable extinguishing media  Use foam, carbon dioxide and dry chemical.  Special hazards arising from the substance or mixture  (c) Precautions for fire-fighters  None.  6 Accidental Release Measures  (a) Personal precautions, protective equipment and emergency procedures  Environmental precautions  Do not contaminate water supply.  (b) Methods and material for containment and local regulations. Inert absorbent material can be used and removed to disposal container. Avoid sewer disposal.  7 Handling and Storage  (a) Precautions for safe handling  Wash thoroughly after handling. Do not get in eyes, on skin or clothing.  Store in a cool dry area. Do not store near combustible. Key away from heat, sparks and flames.  8 Exposure Controls/Personal Protection  (a) OSHA permissible exposure limit (PEL), American Conference of Governmental			or mignig rocas scor morely a record cas adjusted.
attention and special treatment needed  - Inhalation  Remove individual with prolonged lung exposure to a nor contaminated area with fresh air. Get medical attention for breathing difficulty.  - Eyes  May be irritating to eyes. Flush eyes with low pressure water. If discomfort continues, consult a doctor.  - Skin  May be irritating to skin. Prolonged skin contact may cause allergic dermatitis. Wash skin with mild soap and water.  - Ingestion  Accidental ingestion – rinse mouth with water. Obtain medical advice.  5 Fire-Fighting Measures  (a) Suitable extinguishing media  (b) Special hazards arising from the substance or mixture  (b) Special hazards arising from the substance or mixture  (c) Precautions for fire-fighters  None.  6 Accidental Release Measures  (a) Personal precautions, protective equipment and emergency procedures absorbent on service vehicle at all time.  Do not contaminate water supply.
