

PRODUCT INFORMATION:

Our five-strain bacterial disc eliminates & prevents cold water mold, fruit fly breeding. Cleans tray drain line and prevents it from clogging.

DIRECTIONS: Place one blue disc tablet under grate in beverage tray near drain hole. When disc tablet has dissipated, replace with a new one. When cleaning beverage tray, remove blue disc; place back into tray when finished. Wash hands.

STORAGE: Store product in moisture resistant bottle and keep lid closed after use. Keep away from heat.

Bottle Includes 6 Compound Discs
