NET CONTENTS: 1 GALLON/3.79 L
NET WEIGHT: 10.7 LBS/4.85 kg

KEEP OUT OF REACH OF CHILDREN

WARNING: Causes serious eye irritation.

Precautionary Statements: Wash thoroughly after handling. Wear eye protection/face protection. If eye irritation persists: Get medical advice/attention. **Storage:** Store away from incompatible materials. **Disposal:** Dispose of wastes and residues with local authority requirements.

Monterey Pasture Fertilizer has been specially formulated for pasture grasses and legumes. Contains three forms of nitrogen as well as phosphorus, potassium, and iron. Monterey Pasture Fertilizer promotes plant growth and vigor.

Use Directions:

When applying Monterey Pasture Fertilizer remove horses or livestock for 24 hours.

Apply 1 gallon of Monterey Pasture Fertilizer per acre in a minimum of 30 gallons of water. Repeat as necessary.

Mixing Instructions:

1. Add ½ - 2/3 required amount of water into tank sprayer.
2. Add Monterey Pasture Fertilizer.
3. Add balance of water, to bring up to volume and agitate.
4. Apply spray solution uniformly for good coverage.

A surfactant is recommended for all foliar applications. For best results, apply as a foliar spray early in the morning or late evening.

Monterey Pasture Fertilizer is compatible with most fertilizers, herbicides and pesticides available on the market today; however, a jar test is recommended for compatibility before mixing chemicals in your tank.
