<b>If On Skin Or Clothing:</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> </ul>	<ul style="list-style-type: none"> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If In Eyes:</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> </ul>	<ul style="list-style-type: none"> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If Inhaled:</b>	<ul style="list-style-type: none"> <li>• Move victim to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li> </ul>	<ul style="list-style-type: none"> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>

**HOTLINE NUMBER:** Have the product container or label with you when calling a poison control center or doctor, or going for help. In the event of a medical or chemical emergency contact ChemTel Inc. North America 1-800-255-3924

**NOTE TO PHYSICIAN:** There is no specific antidote for atrazine. If this product is ingested, induce emesis or lavage stomach. The use of an aqueous slurry or activated charcoal may be considered.

## PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly after handling or using. Keep children and pets off treated areas until material is washed into the soil.

## ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

## DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING. NOT FOR USE ON TURF BEING GROWN FOR SALE OR OTHER COMMERCIAL USE AS SOD, OR FOR COMMERCIAL SEED PRODUCT, OR FOR RESEARCH PURPOSES.

## GENERAL PRECAUTIONS AND RESTRICTIONS

Do not enter or allow others to enter until dusts have settled. Do not apply this product through any type of irrigation system. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. This product must be watered in immediately after application. Do not enter or allow others (including children or pets) to enter the treated areas (except those involved in the watering) until the watering-in is complete and the surface is dry. Do not apply granular lawn products by hand. Avoid contact with hands or skin. Broadcast applications must NOT be made using hand-held devices, such as a belly grinder or handheld rotary applicator. Such equipment may only be used for spot treatments. Application rate not to exceed more than 2.0 pounds of active ingredient per application and no more than two applications per year. Apply this product at 6.4 lbs. per 1,000 sq. ft.

### 1. WHAT IS THIS PACKAGE FOR?

This product is especially formulated to promote deep green, thick turf growth and eliminate unsightly weeds.

### 2. HOW DO YOU USE IT?

To prevent growth of Crabgrass, Sedge, Spotted Spurge, and Paspalum, apply in January, February, or March before these weeds germinate. These weeds will not be controlled if they are present in the lawn at the time of application. Apply in fall to prevent winter weeds such as Henbit, Chickweed, Rabbit Tobacco and Evening Primrose.

To kill other listed weeds, apply anytime weeds are present and actively growing. Repeat in 2 months if needed.

If soil is dry, water thoroughly the day before treatment. Treat entire lawn evenly. Immediately after application, water to wash particles off grass blades. **NOTE:** Do not apply under the branch spread (root-zone) area of trees and shrubs in compact, slowly draining soils (particularly in the Dallas/Ft. Worth area). Do not use on Centipede or Carpetgrass lawns during the period of winter dormancy (approximately October 15 to March 15), except in Florida. Do not make applications to St. Augustine, Zoysia, Centipede or Carpetgrass lawns containing other grasses. Do not apply to newly seeded Zoysia, Centipede or Carpetgrass lawns until after the new grass has been mowed at least twice. Do not plant sprigs for one month, or sow new grass seed for six months following application of this product. Do not apply on bedding plants or ornamental trees and shrubs.

### Fertilize Lawns & Kills The Following Listed Weeds In One Easy Step!

**NOTE:** The spreader settings listed below are approximate. The speed at which you walk and the working condition of the spreader will affect the rate of application.

Spreader	Spreader Settings	
	Lbs. of product per 1,000 sq. ft.	
	<b>6.4 lbs</b>	
Scotts®/Republic Accugreen (Drop)	6 ¾	
Scotts®/Republic Speedy Green (Broadcast)	6 ¾	
ferti•lome®/Earthway Ev-N-Spred (Broadcast)	20	

### 3. HERE ARE THE RESULTS YOU SHOULD EXPECT!

Green, luxurious weed free lawns can be expected with this effective, easy-to-use product.

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Keep out or reach of children and pets. Store in original containers only. Store in cool, dry place and avoid excess heat.

**PESTICIDE DISPOSAL:** If empty: **Non-refillable container.** Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

Never place unused product down any indoor or outdoor drain.

**Note:** To the extent consistent with applicable law, Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith. Voluntary Purchasing Groups, Inc. warrants this product to conform to the chemical description on the label and for the purposes stated on the label. The limit of any liability incurred shall be the purchase price paid by the user or buyer.
