VERSADUSTER

The new Versaduster from B&G is very reliable power duster at an economical price. Great for all dust applications from Commercial Kitchens to Bedbug Treatments

- » Heavy Duty design built for years of dependable service
- » Easily plugs into any power source
- » "No Clog" design applies a dust application with each pull of the trigger
- » 40 foot recoiling hose
- » Can be purchased as a kit (without compressor) for use with a PAS or Versafoamer
- » No batteries required
- » Easily Serviced
- » Economically priced

Dust output is adjustable from a very fine to a heavy application.

- » Easy to fill
- » Heavy duty XR Gun
- » Works with all dust formulations

Heavy duty fan cooled compressor unit for long service life. Electrical connection is made by use of a standard extension cord.

Every Versaduster comes with a large and small bottle along with 2 tips.
