

FLOWZONE®

DUMP THE PUMP™

ZEPHYR™

Model #: FZSATJ-3

**RUGGED, PROFESSIONAL PERFORMANCE.
STREAMLINED FOR SAVINGS.**

Spray smarter, not harder with the power and efficiencies of a battery backpack sprayer! The Zephyr™ delivers a 0.2 GPM / 40 psi output so applicators can precisely deliver product at the squeeze of the trigger. Value-engineered components like an inline spray gun, carbon fiber wand, and lightweight backpack straps make the sprayer a perfect fit for the whole crew.

ON/OFF power toggle

Four nozzles included:

4502
45° Fan

8002
80° Fan

0005
Pin Stream

Adjustable
