

# Specially Formulated Super Charged Drain Gel Formula

(Over 2 Billion Active Bacteria Spores Per 4 oz. Bottle)

**No Pesticides**

Fruit fly breeding will come to an end with normal drain treatments.

**Keeps Drain Lines Clear**

Destroys fats, oils and grease by digesting the organic waste.

**Safe To Use On Pipes**

Our pre-measured 4 oz. bottles take the guesswork out of how much to pour into each drain, saving time and money.

**Salmonella Free**

Our gel formula clings to the side of drain pipes to eliminate odors commonly found in bar drains.

## Can Be Used In The Following Drains
