Dithiopyr 2L

Specialty Herbicide

NOW in an easy to use liquid formulation. Dithiopyr 2L is an excellent source for early post-emergent control of crabgrass and pre-emergent control of over 40 grasses and broadleaf weeds in established lawns, golf courses, field-grown nurseries, landscape ornamentals and more.

- High performance
- Excellent turf selectivity
- Instantly blooms upon dilution even in cold water
- Low odor
- Stable viscosity in cold temperatures
- Outstanding shelf life consistency

Formulation	Easy to use liquid formulation
Active Ingredient	Dithiopyr
Competitive Brand	Dimension®
Packaging	4 x 1 gallon
Application Rates	See label for specific uses and rates
