

FLOWZONE

Introducing:

TYPHOON SERIES 3

With feedback from our valued customers, we've updated our 4-gallon backpack sprayers with all new features to continue to improve the spraying experience!

This update features an all-new TeeJet™ style /quick-connect nozzle line-up, improved shock and water resistance, a detachable hose, wedge-lock wand holsters, and an all new tank design while maintaining all of the features that you've come to love about FlowZone®!

Detachable hose

Updated QC nozzles (TeeJet® style)

Sealed inner electronics
