

# Handi-Foamer

50 oz. easy pump, handy foamer from Gardner

- Attachments sold separately

50 oz.

Adjustable foaming nozzle

The **HANDI-FOAMER** from Gardner is a simple solution to all your foaming and spraying needs. This foamer is lightweight and small making it easy to carry around and use in tight spaces. The 50 oz. Handi-Foamer includes an easy to use pump, pressure release valve and an adjustable foaming nozzle. Sold separately, is a drain cover attachment to help with effectively foaming into drains.

The Handi-Foamer is perfect for use with the FlyWeb Fruit Fly Spray Concentrate from Gardner. Following the concentrate label directions, use the measurement guide on the Handi-Foamer to mix the concentrate with water. Then use the foamer to spray the solution under bars, counters, cracks and crevasses or anywhere fruit flies may breed.
