## SureKill® CT-511

Product Number: 0731011

### Product Description

SureKill® CT-511 is a dual-synergized formula designed to kill and repel bedbugs, flies, mosquitoes, and other insects as listed. CT-511 can be used in homes, food handling facilities, breweries, food plants, restaurants, schools, hotels, office buildings, hospitals, and other areas listed.

### Purpose

To kill bedbugs: apply as a spot treatment to cracks and crevices, around baseboards, floorboards, headboards, and floors around sleeping area. Spray mattresses and box springs until slightly damp, around tufts, folds, and seams. Allow treated surfaces to fully dry before use. Repeat as necessary, but no more than once per day.

*Please see this product's entire label and follow all use directions and use precautions. Use only for the sites, pests, and application methods described on the product label. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.*
